## Discover Taste & Enjoy

Glud Vin was founded in 2002 by current owner Jørgen Glud. The idea is to offer new flavors from around the world. Taste is individual, the wine is different and our daily customers appreciate a wide taste spectrum. Therefore, Glud Vin lets you and your company approach the wonderful experiences in tastes from around the world. Glud Vin often brings unknown wines to Denmark from distant regions of the world - your security for new experiences every time, but we will not forget our classics, why look forward, if you do not know your base.

We import all our own wines in the range and have exclusive distribution in Denmark of the entire portfolio. This ensures you as a customer that Glud Vin constantly have "the finger on the pulse" of the wine market. Wine is one of the everyday pleasures, and Glud Vin is offering always carefully selected wines, whether it is for everyday or exclusive gifts.

We are in daily contact with our suppliers worldwide, therefore we constantly focus on quality, this insures you to be guaranteed best products and best prices. Glud Vin purchase all wines directly from the farmer and bypasses all the expensive intermediary sellers. No wines is accepted, without the approval of our 12-man taste panel, which is broadly composed of; wine lovers, experienced people to take a bottle at the weekend and people who rarely enjoy wine. It gives a broad view of the wine and thus, we match your guests and customers' taste.

Glud wine is focused on wines from overseas destinations and imports wine from Argentina, Australia, Brazil, California, Chile, South Africa and Uruguay, Morocco, New Zealand, but we never forget our roots where wines from Europe finds their place. Together a portfolio of wines for every taste and desire, or -- as we say in Glud Wine: Discover – Taste – Enjoy.

No sales without customers. Our customers have complete confidence in Glud Vin, our services and solutions. Our business concept is satisfied customers and customers who receive good individual service and handling. Glud Vin Team consists of energetic people who are making their best efforts, for you to get a good experience. Therefore, there is always a consultant; close to you. Our clients are the Danish industry (B2B), hotel and catering industry, and smaller supermarkets. Glud Vin stores, retail stores, which also serves private customers. And a broad net of retailers. Welcome to a world of experiences with Glud Vin.
